

We build strong kids,
strong families, strong communities

FOR IMMEDIATE RELEASE:

A Wonderful New Space for Our Wonderful New Children

December 8, 2009--Pittsfield, MA: The Pittsfield Family YMCA of 292 North Street is happy to announce the opening of a new infant room. This room is equip with 2 qualified childcare providers, 5 cribs, as well as an array of toys and nursing supplies. The spacious area can hold up to 7 babies at one time from the ages of 1 to 15 months. It was just open in October 2009 due to the need for an improved environment and a safer, quieter place for the little ones. This area of the YMCA is really helping us to reach our mission to build strong kids, strong families, and strong communities.

Financial aid is available to anyone who needs it and everyone is encouraged to apply either online at pittsfieldfamilyymca.org or in person at our front desk. Financial aid can cover up to 80% of our fees for those in need. "At the YMCA we do not turn anyone away for the inability to pay", states the Childcare Director Laurie Vanuni. Our goal is to be able to get children of all ages and across the county into our facility. We are making some great changes for the future.

To register for any of our childcare programs spanning from our Infant Program up until our Before and After School Programs please call Laurie Vanuni at 413-299-7650 ext. 27 or Earl Persip at ext. 37 for the School Age Programs.

For more photographs of our Infant Room please call Susan Jacobs at 413-499-7650 ext. 42 or email her at sjacobs@nycap.rr.com.

The YMCA puts Judeo-Christian Principles into practice through programs that build healthy spirit, mind and body for all.
